You startled me.
I thought you'd be still at the dancing hall ...
Do you know why I call you here ?

I beg your pardon ? The reason you called me here ?
I am only your maid ...
?
I found out that your real boyfriend lives around here.

Then I saw you and Jeremy going into the woods at that night
It's a misunderstanding. Please let me explain
It was unexpected
he and
to work
so
we
letters
Was it Jeremy who you were seeing secretly ?
And with Jeremy ? Of course, not, sir
Or
You don't care how many there are, is that it ?

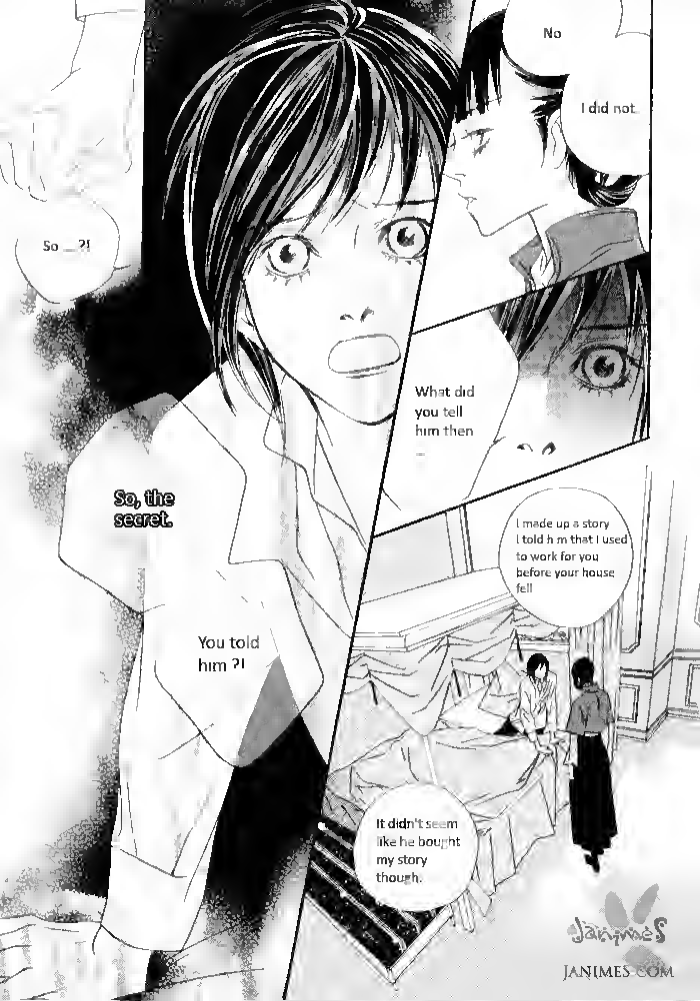
I see.
Then what were you two doing at that hour in the woods ?
What did you do at that night ?
You are going to tell me now.
For how long has this been going on?
SInce when and where !

.....
About Jeremy, before I came to your house, I used to work under him.
His family has unfortunately fallen since then
We just happened to meet again here
That is all, sir
At that night, I was just showing him the town
Where you used to work ?

Did you use the same trick to seduce Jeremy also ?

Jeremy !
Jeremy !
Wake up now !
Marianne ?

What is it ?
At this hour ...
What's wrong with your face ?
Arron found out.
He found out ?
You mean...
Yes.
He must have seen me with you in the forest.
He asked me of our relationship.
I thinks that you are my secret boyfriend.



No
I did not
What did you tell him then
I made up a story I told h m that I used to work for you before your house fell
It didn't seem like he bought my story though.
So _ ?!
So, the secret.
You told him ?!

JANIMES.COM

What do we do now ?
Don t worry He won t be able to do anything about you
He has a reputation to keep
But I don't think I can be his maid anymore
Having said that ...
Is it possible for you to give me the money you said you received from the duchess ?

I think I might be able to settle down with my boyfriend somewhere quiet with that money...
How unexpected What did you call me at this hour for ?

It's urgent.
We need to meet the duchess now.
Now ?
Alright.
I will go get ready !

Jeremy, I need to talk to you...
Do you have any idea what you did last night...
Are you leaving?

Ah ...
I think I should leave now ...
The party is not over yet though ...
Well ...
I am afraid to confront Arron That's why I am leaving –
Are you leaving ?

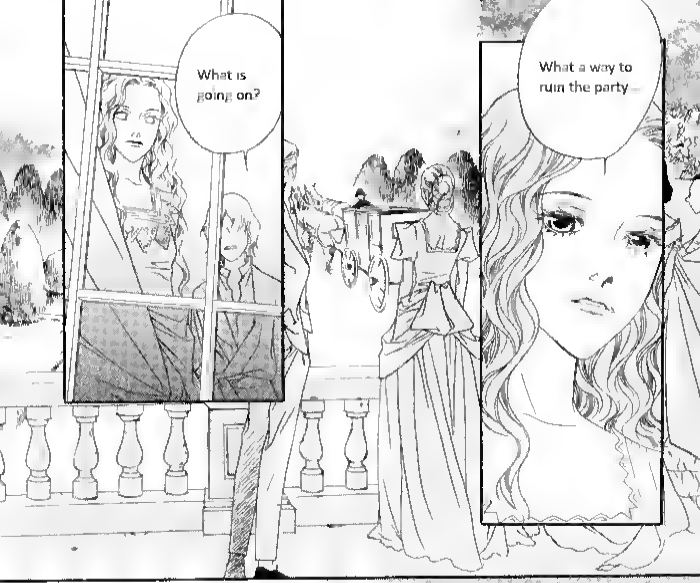
I am Arron Herbert Downing. What is it?

We ask you to come with us
We found bodies in the forest nearby We were told that a body resembles your maid.
Marianne ?!
Are you implying that Marianne is dead ?!
We are not implying anything. We need you to verify the body.



What is going on?
What a way to ruin the party...

The whole scene was so surreal ...

Is she your maid ?
Yes, this is Marianne—
It does look like the couple committed suicide—
Perhaps they were trying to elope but failed ?
But who did she like like this — and how —
He found out I cannot go back.

Having said that ...
Is it possible to give me the money you received from the duchess ?
No way ...
Pardon ?
Suicide ?
No way !
They did not ?
Do you know something ?

It's nothing.
It seems that he is having a hard time taking her death.
She served us really well until yesterday.
I had no idea that she'd do something like this....
Don't do anything rash. You don't want to make this complicated.
Maybe, she had a trouble with her boyfriend.
Yes....
Kids these days are too rash.

It's lethally poisonous.
This is my first time seeing one.

... You killed her.
You kiled her.
Right ?
Right ?!

Are you talking to me ?
You were the only one I told you about Belladona
There is absolutely no way that she killed herself !
Are you out of your mind ?!
Why would I kill that maid ?
And do you have any proof ?
because she fooled around with nobles !
You could have killed her just because of that.

Or maybe you told Arron about the two of us !
If it weren't you it could have been both you and Arron !
Don t fuck with me now !
Do you even know whatever the hell you are saying ?!
If you say any more of that crap, I swear I will make you pay !

Give me an explanation then !
Why is she dead alongside of her boyfriend ?!
Tell me why she is surrounded by those cursed berries !!!
How the fuck should I know ?!

JANIMES.COM

YOU DON'T KNOW ! ?
TO HELL WITH YOU !
Jeremy ! Stop !
YOU KILLED HER !
YOU KILLED HER !

YOU AND ARRON KILL HER ! YOU KILL HER !

털썩
She did not commit suicide ...

She did not commit sucide ...
Somebody killed her.
Somebody...

Jeremy
u
That's enough now. Calm down
Stand up I will help you

Jeremy !
Hello ?!
What is it, brother ?
I think he passed out.
How far are we away from the carriage ?
I will carry him
No. I will
.....

Marianne ...
Nobody killed her.
It was me....
I killed her...

Do you have any idea what is going on with the family at all ?!
So, you are selling me for money.
You don't need to put it like that
Families assist each other all the time What is what a marriage does It makes such easier

So, you need her money.
And in return, her family needs me. Is that it ?
Fine
So be it
However
If I become you will Ray will inherit the family.

It is done. Now, when Rey reaches his adulthood, he will gain full control of the family.
And I will become his guardian, allowing me to assist the family business.

And when the time comes I want you to retire from all family affairs
If you are done, leave me be

I am sorry that It has been concluded like this-
I do know what Angela means to you
But I want you to know that-
